P. & B. BUILDING PAPER, SOLD BY ALL DEALERS. MANUFACTURED ONLY BY THE PARAFFINE PAINT COMPANY, 116 BATTERY STREET.

The Bulletin
Is the oldest paper in San Francisco. It has character, standing, influence. Telephone Main 926.

THE WASP was officially declared by the State Board of Harbor Commissioners, on November 7, 1895, to be the San Francisco weekly journal having the largest circulation.

From S. F. EXAMINER.

"The next question for our consideration," resumed Mr Colnon, "is regarding the circulation of the weekly papers."

"It rests with the board to decide which has the largest circulation," returned the President. "I think the 'Star' is about as widely disseminated as any other."

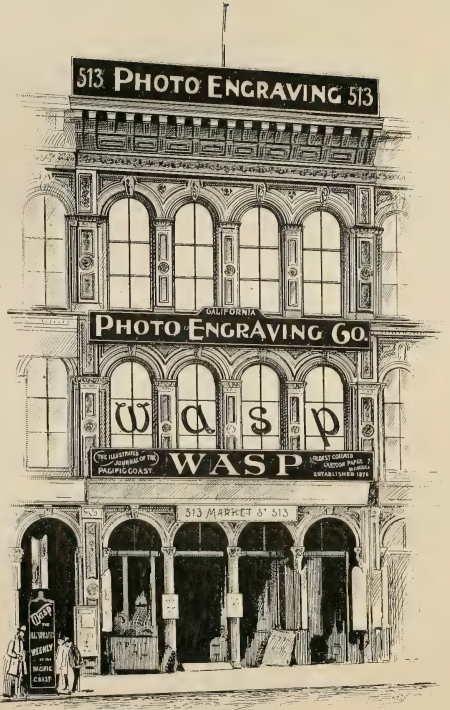
"Oh, I don't agree with you on that. Look at the 'Argonaut' and the 'Wasp.'"

After some argument it was decided that the "Wasp" was entitled to the preference, and on Mr. Cole's motion that paper was awarded the contract.

UNDER AN ACT of the Legislature, approved March 27, 1895, advertisements for bids on public works in California must be published in the daily and weekly journals having the largest circulation in San Francisco, and also in the daily papers having the largest circulation each in Los Angeles and Sacramento.

The appended extract, photographed from the *Examiner* of November 8, 1895, records the discussion of the Board of Harbor Commissioners and the award of the advertising to THE WASP as the leading weekly of San Francisco.

All the leading artists and the best literary talent on the Pacific Coast contribute to THE WASP.



THE WASP'S INIMITABLE COLORED CARTOONS have given it a national reputation and are reproduced in some of the best Eastern publications.

AS AN ADVERTISING MEDIUM THE WASP is without a rival.

THE WASP IS PUBLISHED WEEKLY BY

THE WASP PUBLISHING COMPANY, 513 Market Street, San Francisco.

Telephone, Main 1643.

THE NEW POLICY OF THE

Mutual Benefit

Life Insurance Company

IS UNEQUALED IN ITS ADVANTAGES TO THE

POLICY HOLDER,

WHICH ARE NOT COMBINED IN THE POLICIES OF ANY OTHER COMPANY.

Large Annual Dividends, which may be used in Cash Reduction of Premiums, or applied to the purchase of paid-up participating Insurance payable with the Policy.

Equitable Surrender Values which are indorsed on the Policy, so that the insured can stop paying Premiums without loss by forfeiture.

1. **A Liberal Cash Surrender Value.**
2. **Extended Insurance** in the full amount of the Policy for as long a period as the value of the Policy will pay for at low term rates.
3. **A Paid-up Policy** for a reduced amount payable whenever death occurs.

Cash Loans are made up to the **Cash Surrender Value** when a satisfactory assignment of the Policy is made as collateral security. The Insured may thus prevent the lapse of the Policy if he happens to be short of funds; or he may secure a cash loan to meet any sudden emergency.

If the insured forgets to pay a Premium on the day it is due, his insurance is continued in force by the Company **without action on his part.** If he is well, he has three years' time in which to revive the Policy by payment of arrears of Premiums with interest; while if he is sick, or unable to pay the Premium, he is protected by his Extended Insurance.

See example of a lapsed Policy extended and paid in full in Alameda, Cal., on 7th page of this Circular.

Policies are Incontestable after the Second Year.

See Illustration, Opposite Page.
